TUITION ASSISTANCE

Church Assistance – Some churches provide tuition assistance to eligible members. If you attend a church other than Madison Campus, please contact your church pastor or treasurer for information. MCC and MCE assistance is provided jointly.

Tuition Assistance – Madison Campus Elementary is committed to partnering with serious and committed families. The **application deadline is May 1** for returning students. The majority of funds will be allocated after this time; however, it is our fervent ambition to be of support to any family needing assistance. Participation in PFE is required in order to qualify for tuition assistance.

TUITION

Tuition does *not* cover the full cost of operating Madison Campus Elementary. Members of the Seventh-day Adventist Church support Adventist education with substantial church and conference subsidies. We pass that savings on to our students regardless of religious affiliation.

FINANCIAL POLICIES

Registration Process – Registration is not complete until your Financial Plan has been signed and returned, and the first month's tuition and entrance fee have been paid.

Billing Procedures – For your convenience, the annual tuition charge is divided into ten installments and billed August through May. The monthly installment plan is designed to help parents spread the cost of tuition over ten months and does not signify the cost of education per month. No refunds will be made for a partial month upon a student's withdrawal. A monthly statement will be emailed to the responsible party by the 5th day of the month.

Tuition and any applied fees are due on the 15th of each month. A late fee of \$25 per student may be charged and any discounts and/or tuition assistance funds will be forfeited if payment is not made by the end of each month. A history of checks returned for insufficient funds may result in a request that payments be made in cash or money order. Families with Tuition Assistance and/or a history of past due payments may be required to enroll in an automatic payment plan.

Delinquent Accounts – Students with past due accounts may become ineligible for extra-curricular programs. Fees for these programs are non-refundable. Student with past due account also will not receive transcripts until full payment has been made or arrangements have been approved. Students with accounts 60 days past due may be asked to withdraw until the account is current. Siblings of graduates must not have a past due balance. Accounts must be paid in full in order for the student to enter school the following year. The Finance Committee or its designee must approve any exceptions to this policy.

SCHOOL UNIFORMS
